

Jean-Michel Hamelle

Partner – Head of Tax & Accounting

Title

Partner – Head of Tax & Accounting at Grant Thornton Luxembourg.

Experience

Jean-Michel has been a member of Grant Thornton since 2004.

He worked for 13 years with big 4 firms in international and domestic tax matters before he joined Grant Thornton.

Sector experience

Jean-Michel has significant experience in dealing with the Luxembourg direct and indirect tax authorities.

He is specialised in providing international direct and indirect tax services to companies in the financial, industrial and real estate sectors.

He has been involved in operations and structures set up by large and reputed international groups using Luxembourg as a centre for European-wide real estate investments, for which he has a wide experience in due diligence and cross-border deals, involving M&A, liquidations, financing and restructuring operations.

He is also actively involved in Transaction & Restructuring services.

Presentations and publications

Jean-Michel is responsible for editing the Luxembourg section of the CHH European Manual.

Qualifications and memberships

Master's Degrees in Business Law.

Master's Degrees in Management and in Accounting.

Expert-comptable (Certified Chartered Accountant).

Languages spoken

Jean-Michel is fluent in French, English and Luxembourgish.
