

Grant Thornton

An instinct for growth™

Tircher Alain

Accounting and Tax Partner
Certified Chartered Accountant

Title

Alain is an “expert-comptable” (Certified Chartered Accountant) and has been a member of Grant Thornton since 1991.

He has Master’s degrees in Management, in Accounting and in Psychology.

Alain was involved in advising corporate clients for credit and incentives.

He is also used to dealing and negotiating agreements with the Luxembourg direct tax authorities.

Experience

Alain worked during 3 years as an auditor before joining Grant Thornton.

He first became HR and operations Manager developing a practical experience in dealing with remuneration, social security obligations, tax optimisation and cross border tax planning for individuals.

He has since then developed a multidisciplinary practice during 18 years in payroll, accounting and in domestic and international tax.

Alain has a significant experience in corporate (financial and industrial sector) and individual taxation, providing tax and social security compliance obligations and international direct tax advisory services.

Languages spoken

He is fluent in French and English.
