5 pm to 7 pm in Luxembourg

Investment Firms' Strategic Market Review 2017

Free entrance - Registration required

Grant Thornton Luxembourg and Grant Thornton Liechtenstein would like to invite you to the **presentation of key results and future trends of the Strategic Market Review 2017 conducted with Investment Firms in Luxembourg and Liechtenstein** organised with the collaboration of Arkus Financial Services and Vectis.

The presentation will focus on:

- Thoughts and insights on business strategies and latest professional practices in the Investment PSF sector
- Ideas on how to develop business, improve effectiveness and strengthen readiness towards forthcoming regulatory changes
- How your management practices compare against other firms'

The overall purpose of this review was to take a step back and contribute in building a picture of the future trends in the Investment Firms' sector with regards to the following topics: **Growth strategies, Regulatory challenges, Governance, Risk management, Pricing strategies, Sourcing and delegation strategies, Efficiency and cost management, IT and data management**

Agenda
