

# Real Estate, building a bridge across Europe

Real Estate investments across Europe, as well as development projects raise many audit, tax, accounting and valuation challenges surrounded by a multiplicity of regulations. Our experts act as the architects for the enhancement of your Real Estate business and provide you with a relevant drive for better business decisions.

## Our services mainly cover:

- Tax structuring and domiciliation
- Tax advisory and compliance
- Regulatory and financial reporting
- Accounting, consolidation and statutory reporting
- Audit and assurance
- Asset valuation and corporate finance services
- Due diligence, mergers and acquisitions, exit strategies
- Waterfall, carried interest computation

## Key benefits of our services:

- Stable and highly specialised professionals with a collaborative mindset
- Agile and responsive services delivering you tailored responses to your local and global needs
- A culture built on genuine interest in your challenges and opportunities
- An international presence through our global network allowing for further guidance and recommendations

### About Grant Thornton

We are a **global network of 76,000 people in member firms in 150 markets** with a common goal — to help you realise your ambitions. Which is why our network combines global scale and capability with local insights and understanding. So, whether you are growing in one market or many, looking to operate more effectively, managing risk and regulation, or realising stakeholder value, our member firms have the assurance, tax and advisory capabilities you need with the quality you expect.

"Grant Thornton" refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Luxembourg is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.
